CDX TABLET REMOTE

The remote is the communication tool between the transceivers, the CDX Safety Controller and Timing Solutions.

SOLUTION

CDX Remote – Tablet
The CDX Tablet Remote is the flagship of the CDX system. Its extensive and intuitive user interface, combined with seamless synchronization and an exceptional radio range of up to 1.600 meters, makes CDX the unbeatable safety solution for rental kart tracks.

Fixed position
The CDX Tablet Remote serves as the central point for your track, enabling maximum safety and operational efficiency.

Focus on safety
Whether you're running a small track or a full-scale racing facility, CDX Remotes give you the control and peace of mind you need with the safety of your drivers and team always in focus.

WHAT YOU NEED?

- CDX Tablet Remote
- CDX Tabletstand

Usually combined with:

- CDX Handheld Remote
- CDX Safety Controller (EV/ICE)
